

Home Study Part-time Enrollment Participation Acknowledgement for Middle School and High School

The Cherokee County School District (CCSD) recognizes the need for home study students to be offered support services and afforded the opportunity to participate in designated school activities as a vehicle to develop and enhance their educational experience, as well as for social and community relations. In accordance with Senate Bill 42: "The Dexter Mosley" Act, a home school student may enroll in a qualifying course at his/her designated school within the attendance area of the student's custodial parent's primary residence and participate in extracurricular or interscholastic activities.

This CCSD Home Study Part-time Enrollment Participation Acknowledgment Form (MS/HS) should completed and returned to the Supervisor of Student Athletics and Activities Office. Forms may be sent via email to Tonya.Sebring@cherokeek12.net.
